garments exports have risen only at 3 to 4 per cent a year?

THE MINISTER OF TEXTILES (SHRI SHANKERSINH VAGHELA): (a) Yes, Sin

(b) The free global trading regime would result in increased interna tional trade in textiles thus providing greater export opportunities for the indigenous textile industry India's textiles and clothing exports in the post quota regime will be driven by value added made-ups & apparels as India has comparative advantages over its competitors in relation to: (i) availability of relatively inexpensive and skilled workforce (ii) presence across the entire value chain (iii) large production base of basic raw materials.

According to a recent study by CRISIL (commissioned by Indian Cotton Mills Federation), the Indian textiles and apparel industry can achieve a potential size of US$ 85 billion by 2010. Of which, the domestic market potential would be US$ 45 billion and export potential would be US$ 40 billion. Nearly 60% of exports would comprise garments.

(c) The textile & clothing exports have recorded a Compound Annual Growth Rate (CAGR) of 5.57% in dollar term during the period 1995-96 to 2003-04.

Hydel-Power Projects Sanctioned to States

†*38. PROF. R.B.S. VARMA: Will the Minister of POWER be pleased to state:

(a) the State-wise details of the number of hydel-power projects that were sanctioned during the last three years in the country

(b) the amount allocated for such projects; and

(c) by when these projects are likely to be completed?

THE MINISTER OF POWER (SHRI P.M. SAYEED): (a) to (c) In the last three years (2001-02,2002-03 and 2003-04) and in 2004-05 (upto January, 2005), nine Hydel Power Projects with an aggregate installed capacity of 6,092 MW have been accorded investment approval in the Central Sector

† Original notice of the question was received in Hindi.

and six projects with an installed capacity of 968 MW have been sanctioned by the State Governments. In addition, four projects in the Private Sector with an installed capacity of 1280 MW have been accorded Techno-Economic Clearance by the Central Electricity Authority The investments in these projects will be above Rs. 35,000 crores.

The details of these projects are given in the Statement.

Statement

State-wise Hydel Power Projects sanctioned by Govemment of India in Central Sector, State Governments in State Sector, Techno-Economic Clearance accorded by Central Electricity Authority for Private Sector and National Thermal Power Corporation Projects during last three years and from April 2004 to 25th February, 2005.

Functioning of NTC Mills

†*39. SHRI RAVI SHANKAR PRASAD:
SHRI RAM JETHMALANI:

Will the Minister of TEXTILES be pleased to state:

(a) Whether Government have decided to continue in future the 55 mills out of 119 mills of the National Textile Corporation;

(b) If not, the facts thereof; and

(c) The total loss estimated to be incurred by Government in respect of the non profit making mills by March 2004?

THE MINISTER OF TEXTILES (SHRI SHANKERSINH VAGHELA): (a) to (c) Rehabilitation Scheme approved by the Board for Industrial and Financial Reconstruction (BIFR) suggested revival of 53 NTC mills with resources generated from the sale of surplus assets. NTC has so far spent Rs. 269 Crore on organizational restructuring and on renovation of the machinery in these mills.

How/ever, all these 53 mills continue to sustain losses and depend on Government Budgetary support for meeting cost of wages. They have sustained an operational loss of Rs. 339.41 Crore in the year 2003-04. In many of these mills, employees have been requesting for Voluntary Retirement Scheme (VRS). Besides, adequate Funds for modernization of
